

## Danny & Your Church

### Praise Celebration

Praise Celebration is a multi-media musical extravaganza featuring your choir and the artistry of Danny Wolfe and his technical team. Various versions of this event include: Gospel, Patriotic, Christmas, and others you might prefer according to your emphasis.

“Unlike anything I have ever seen in a church anywhere, Danny’s Praise Celebration is fabulous! The lighting, sound, video, and special effects Danny incorporates are spectacular. Danny is at the top of the list of trumpeters alive today—and is one of the finest singers I have ever heard.” – Jack Price, Prism Music

“Danny Wolfe is a technical genius. I have used him for all of *TRUTH*’s sound and lighting needs, and for several years he technically produced the *TRUTH* Christmas tour. Danny has that “special touch” necessary to get the most out of a choir. Your choir would greatly benefit from time spent with him in a rehearsal setting, as well as in a Praise Celebration. I have known Danny for many years and I am amazed at his abilities.” – Roger Breland, Founder/Director, *TRUTH*, Director of Center For Performing Arts, University of Mobile

Danny has used his technical skills and musical expertise to produce recordings for nationally known Nashville labels. Inviting Danny to your church would be a beneficial learning experience for your technical team, and a tremendous opportunity to take your choir to the next level.

### Single Service Concert

In these concerts, Danny presents a program of music for all ages in your church, as well as a challenging message from God’s Word. Even without the multi-media equipment, Danny’s talent, enthusiasm, and compassion will positively impact the people of your church.

# Danny Wolfe

For over twenty years, Danny Wolfe has been using a unique method to attract people to church-centered events. With a different approach, he appeals to all ages with a variety of music, ranging from gospel to contemporary. He has the ability to draw those who might not ordinarily attend church, as well as nominal Christians.

Danny has traveled widely across the country and abroad. His ministry has touched thousands. Lives have been changed; homes have been strengthened; souls have been saved; and the ministry of churches has been enhanced, through his people-centered program.

An award-winning trumpeter and vocalist, Danny is acclaimed one of the most gifted and talented musicians of our day. His ministry is not restricted to church settings. He has given a great deal of time to the homeless in the inner city. His skill with the trumpet has also opened many doors to schools, where he brings an entertaining secular program that draws students to another venue for a Christian production.

While Danny excels with his musical skills, he is also an effective speaker who presents a clear, biblical gospel message. The objectives of his program are to honor the Lord with a time of fun for the people and to encourage others to make a deeper commitment to Christ. However, since Danny humbly acknowledges that his talent is a gift from God, his primary objective is to bring glory to the Lord through his ministry.
